## February Newsletter

February is absolutely one of my favorite months of the school year! I love Missions Week! Missions week is such a wonderful opportunity for your child to learn about different missions organizations and people around the world. We have been learning about being generous and gaining wisdom; wisdom that helps us to be more like Jesus. We learned that as a boy Jesus was kind, obedient and loving. ☺ Our kids will have the opportunity to turn what they are learning into practice during Missions week.

There will be many ways for your child/family to participate in Missions week. There will be a variety of activities happening throughout the week as the classes work to raise money for their offering. None of these activities are mandatory but they are wonderful and when your children learn what it means to be generous it will not only bless those who are receiving but it will bless them as well.

The schedule for the week is as follows...

Friday, Feb. 3<sup>rd</sup>- Talent Show @ 6:00pm

Monday, Feb. 6<sup>th</sup>- Flag parade

Tuesday, Feb. 7<sup>th</sup>- Mercy Café (hot lunch)

Wednesday, Feb. 8<sup>th</sup>- Tie Dye

Thursday, Feb. 9<sup>th</sup>- Pancake breakfast

Friday, Feb. 10<sup>th</sup>- Missions Day Chapel & Activities

\*Be looking for fliers to come home about each activity!

Our class will be hosting the talent show this Friday night. The kids will also be bringing home banks. They will be encouraged to either give a little of their own money, or do some chores where they can earn money for their offering.

This year our offering will be going to support the work that Mercy Child Care Ministries in Uganda is doing as well as The Love of Christ Ministries in South Africa. Both of these organizations are close to our heart and work with some of the world's most vulnerable children. Both organizations can be found on Facebook. Feel free to like their page and see what they are all about! All activities during Missions week are open to parents!

As always, feel free to contact me with any questions you may have!
