# February 2017

Faith Christian School Mrs. Loflin

Dear Families,

We have been getting back into the swing of things and recovering from the snow days and excitement of the holidays. Some of the things that we will be doing in the classroom include: exploring adjectives, looking at the layers of the earth, learning about Native Americans and the 13 colonies, starting our unit on the Plagues, and making inferences in reading. In addition to all that is happening in the classroom, we have the privilege to celebrate mission's week. Many schools do very little in regards to missions. We are so lucky that our school teaches students to look beyond themselves and see the need for Jesus in the world. Our goal is to help students in their ability to "...go into all the world and preach the gospel." The students will participate in various activities that will raise money for an offering that will be given to TLC and Mercy Child Care. Please read the attached letter about mission's week so that you can see all of the events and activities. Each class will be doing one activity. The activity that we will be doing is the Talent Show. The talent show will be this Friday and it would really mean a lot to the kids if you could make an effort to come. The cost for the Talent Show is by donation.

The other activities include:

Valegrams: A special treat that will be delivered to your student on Valentine's Day

Hot Lunch: A pulled pork sandwich lunch on Tuesday, Feb. 7<sup>th</sup>

Tie-Dye Bandanas: students will get to make bandannas at recess time on Wednesday, Feb. 8<sup>th</sup>

Pancake Breakfast: students will be able to enjoy a pancake breakfast from 8:00-8:30 on Thursday, Feb. 9<sup>th</sup>

The students will also be taking part in various activities on mission's day. Activities include tasting a special treat, making a craft, or playing a game that incorporate different cultures.

Another thing that happens during mission's week is that the students sell items at recess to raise money for the offering. These "items" include cookies, treats, small toys, candy, crafts, pencils, etc. The second graders get to take part by either selling things and/or buying things. I will be making sure that the money is handled appropriately and that the money raised from the purchase of items goes to the offering.

In addition, we will be having a small Valentine Party on the 14<sup>th</sup>. Below is a class list if you wish to bring valentines for the class. Thank you in advance for all your support!

God Bless,

Melissa Loflin
