Dear Parents,

Phew! We are already in the 3rd quarter! This year is flying by.

We have a very busy month coming up. This Friday kicks off Missions Week with our talent show at 6:00PM. This will be a super fun time and is a donation-based event. We hope to see all of you there!

The following week is Missions Week. Our money this year will go to Mercy Childcare in Uganda, and TLC in South Africa. There will be a lot of opportunities to support these missions, so keep an eye out for the fun stuff coming up next week.

Our class will be hosting a tie-dye station on Wednesday from 11:30AM-12:30PM. If you can help by participating in the station, or donating items, please let me know ASAP. We are really looking forward to tie-dying bandanas with everyone!

Your student may have come home talking about a country report. This is an oral report due Monday. They will have plenty of time this week to gather their information, and will just need to design a visual aid over the weekend. I have posted the details on the Facebook page, but if you need more info, please let me know. I'm really looking forward to seeing what they come up with.

In Bible this month, we will be talking about standing strong for God even when it's not easy or popular and being grateful for what we have. We have also started memorizing Psalm 119:1-16. They are now Books of The Bible Masters, so go ahead and test them!

This month we will also be jumping on the States and Capitals bandwagon. This will be a learning experience for me as well!

As always, if you have any questions, please let me know! I am really enjoying getting to know your kids.
